

BIONDI-SANTI

TENUTA "GREPPO"

BRUNELLO DI MONTALCINO DOCG 2020

The Biondi-Santi flagship wine, the Brunello di Montalcino embodies the spirit of Tenuta Greppo and the signature style of our winemakers, forged over 150 years of history with its balanced combination of fresh elegance, depth and aristocratic personality.

VINTAGE 2020

In 2020 a mild and dry winter, distinguished by temperatures higher than average, was followed by a cool spring characterized by high day-night temperature swings and one very exceptional snowfall on March 26th, which fortunately did not cause much damage for our vineyards as bud break was somewhat delayed. The month of June was quite rainy, permitting the soil to accumulate good water reserves.

In July and August the days turned very warm and dry while maintaining a positive excursion of temperature between day and night, which sustained the natural balance of the vines and helped develop a good aromatic profile in the grapes. Refreshing rainfalls appeared at the end of August, right before the harvest which started on September 9th.

ORIGIN

The 2020 Brunello was produced exclusively with an accurate selection of Sangiovese from those parcels identified in our proprietary vineyards.

AGEING

The 2020 Brunello was vinified in both oak casks, concrete, and stainless steel, using only indigenous yeasts from our proprietary vineyards. Successively, it was aged in Slavonian oak casks for 24 months.

EMOTION

This exquisitely classic Brunello di Montalcino immediately impresses with its superb finesse. Its clean-edged, ethereal nose offers fresh-picked cherry, redcurrant and pomegranate interwoven with rose petals and violets, while also hinting at wild herbs, orange zest, and Asian spices. Crisp acidity animates a classically proportioned palate, while magisterially sculpted tannins lend structure and energy.
